FARM TURNOUT POLICY

A new farm turnout installation program is being initiated for the issuance of turnouts to serve the benefited lands of the Middle Rio Grande Conservancy District (MRGCD). The new program takes into consideration the MRGCD Farm Turnout Policy, Irrigation Delivery Policy, On-farm irrigation efficiencies, irrigation scheduling and water delivery operations. A payment of fees and charges will be required prior to the installation of turnout gate.

MRGCD Water Distribution Policy can be reviewed at the MRGCD General Office or Web page (www.mrgcd.com)

APPLICATION INSTRUCTIONS

1. Turnout applications must be submitted with a Non-Refundable \$50 Application Fee.
2. Turnout Requests should be submitted at the end of the Current Irrigation Season for the next Irrigation Season, but no later than December 1st. Upon receipt of the application the MRGCD will perform an extensive field Inspection prior to approving, quoting and scheduling.
3. Water Service Charge and/or Water Bank Fees due on this property must be paid in full.
4. MRGCD will communicate with the Applicant a recommended turnout gate size, location and specifications for turnout installation.
5. MRGCD will prepare a quote for the applicant after the final field inspection and size of turnout has been finalized.
6. Full payment will be required in advance prior to scheduling and installation.
7. All turnouts are the ownership of the MRGCD who has authority for use of turnouts.
8. Submit the application to the MRGCD.
9. **Acknowledgement: By signing the application, I am acknowledging that I have read and understand the MRGCD Turnout Policy, Water Distribution Policy and Application Instructions. If this application is approved, I also agree to accomplish the specified directives that have been designated that are required for irrigation efficiency.**
